Research

Minnesota Sea Grant asked whether it would be legal to rebroadcast a public VHF station online. NSGLC Law student Emma Tompkins wrote an advisory memo answering that question. Read it [here](#)!

Funding

The NSGLC is excited to announce the first [Sea Grant Blue Carbon Symposium](#) to be held at the Georgia Center and University of Georgia School of Law in Athens, GA on May 17-18, 2023. [Registration](#) for the symposium is now open. The NSGLC is providing financial support to the symposium and will publish a special issue of the *Sea Grant Law & Policy Journal* in connection with the conference.

NSGLC Hosts!

The NSGLC is excited to serve as the local host for the 2023 State Marine Aquaculture Coordination Network Annual Meeting to be held May 16th- 18th in Memphis, Tennessee. The meeting provides a networking forum for state aquaculture coordinators, state Sea Grant aquaculture extension personnel, and select federal partners.

NSGLC Presents!

NSGLC Director Stephanie Otts gave a presentation about the Jackson, MS water crises at a Continuing Legal Education Symposium on Water Crisis and Environmental Justice at Cumberland School of Law on April 21.

Senior Research Counsel Cathy Janasie gave a presentation about the NSGLC's permitting and food safety work with the Sea Grant Seaweed Hub at the National Seaweed Symposium in Portland, ME on April 25. The Seaweed Symposium brought together over 200 seaweed industry members, regulators, academics, and other professionals to learn from and network with each other.
