

NSGLC News

— July 2023 —

Photo by Greg Clarke

NSGLC's monthly e-newsletter with publication and research highlights, as well as news alerts on other major activities.

Publications

The NSGLC is pleased to offer the July 2023 issue of the *Ocean And Coastal Case Alert*. [Read](#) about a Ninth Circuit opinion granting summary judgment to the National Marine Fisheries Service in an action filed by a recreational fishing organization challenging actions related to the management of Puget Sound Fisheries.

NSGLC Presents!

NSGLC Director Stephanie Otts and Ocean and Coastal Law Fellow Samantha Hamilton shared the preliminary results of their research into three aquatic invasive species case studies (red-eared slider, marbled crayfish, and water hyacinth) during the July 25th Aquatic Invasive Species in Commerce Summit.

A recording of their presentation is available at:
<https://www.aisincommerce.org/july-2023-summit>

NSGLC Webinar Series:

On July 18th, the Law Center's summer student interns presented their work on an array of topics, including sporeless kelp regulation, legal mechanisms for private property impacted by coastal hazards, contaminants of emerging concern, and communications outreach efforts. The recordings, presentation slides, and captions for the webinar are now available! Thank you to everyone who attended!
