

NSGLC News

— June 2024 —

Photo: Klaus Stiefel

NSGLC's monthly e-newsletter with publication and research highlights, as well as news alerts on other major activities.

Publications

Read the June 2024 issue of the *Ocean and Coastal Case Alert*. The Case Alert is a monthly newsletter highlighting recent court decisions impacting ocean and coastal resource management. This month, one summary highlights a challenge to a regulation that imposes limits on the ways humans can interact with spinner dolphins.

This summer, the NSGLC is hosting four law student interns who are conducting research on an array of topics, including wetlands ordinances, seaweed regulation, PFAS, and more! In addition, the NSGLC is hosting an undergraduate policy intern participating in the Sea Grant's Community Engaged Internship. Please join us **July 23, 2024 at 3pm (EST)** for a webinar on 2024 NSGLC Summer Intern Research Projects.

Research

Photo: Mallory Hudford | Virginia Sea Grant

The National Sea Grant Law Center and project partners at Florida State University have released a policy brief series in association with the State Marine Aquaculture Policy Dashboard. The team produced briefs on the following topics: active use, pilot programs, and right-to-farm laws. Check out our [project page](#) to learn more!
